ARTICLE 4

LOTS AND HOMES

4.1. Residential Use. Lots shall be used for residential purposes only. Except with the consent of the Board of Directors of the Association, no trade, craft, business, profession, commercial or similar activity of any kind shall be conducted on any Lot, nor shall any goods, equipment, vehicles, materials or supplies used in connection with any trade, service or business be kept or stored on any Lot. Nothing in this paragraph shall be deemed to prohibit (a) activities relating to the sale of residences, (b) the right of Declarant or any contractor or homebuilder to construct residences on any Lot, to store construction materials and equipment on such Lots in the normal course of construction of Windswept Waters, and to use any residence as a sales office or model home for purposes of sales in Windswept Waters, to maintain on site a temporary construction office or trailer, and (c) the right of the Owner of a Lot to maintain his professional or personal library, keep his personal business or professional records or accounts, handle his personal business or professional telephone calls or confer with business or professional associates, clients or customers, in his residence, so long as such activity is not observable outside of the

residence, does not significantly increase parking or vehicular traffic, or is in violation of applicable local government ordinances. The Board of Directors shall not approve commercial activities otherwise prohibited by this paragraph unless the Board determines that only normal residential activities would be observable outside of the residence and that the activities would not be in violation of applicable local government ordinances.

4.2. Construction. Except for construction performed by or contracted for by Declarant, no construction, reconstruction or exterior alterations shall occur on any Lot, unless the approval of the ARC is first obtained pursuant to Article 6. Consideration such as siting, shape, size, color, design, height, solar access, or material may be taken into account by the ARC in determining whether or not to consent to any proposed work. Such work includes, but is not limited to Homes, storage shelters, decks, swimming pools, spas, landscaping, greenhouses, patios, fencing, basketball hoops, water features, or remodeling. The intent of this covenant is to ensure quality of workmanship and material, harmony of external design with the existing and planned structures as to location and visual compatibility and finish grade elevations. Original construction designs, materials and product specifications by Declarant may vary from any or all specified in this document. All construction performed by or contracted for by Declarant, shall be presumed to have met these minimum requirements or have been granted a variance thereto.

4.3. The following restrictions are minimum standards applicable to all Lots:

(a) Height. No Home shall exceed two (2) stories, excluding basement and/or garage levels, in height above the ground;

(b) Floor Area. The square footage area of a Home shall not be less than one thousand four hundred (1,400) square feet exclusive of attics, patios, decks, porches, balconies, roof overhangs and garages;

(c) Garages. A garage must be constructed on each Lot. Garages may be used as a sales office by Declarant, but must be converted to a garage before permanent occupancy. No garage may be enclosed or otherwise used for habitation, nor may any garage door be removed except when necessary to repair or replace a garage door with the same type of garage door.

(d) Security Doors/Windows and Screen Doors. No screen doors, security doors and no exterior security bars or devices on windows and doors

shall be installed without the prior written approval of the ARC. If the ARC approves any type security door or window security, such approval shall encourage or require a single style for all Homes so they will maintain a uniform and aesthetic appearance.

4.4. Completion of Construction. The construction of any building on any Lot, including painting and all exterior finish, shall be completed within six (6) months from the beginning of the construction so as to present a finished appearance when viewed from any angle. In the event of undue hardship due to weather conditions, this provision may be extended for a reasonable length of time upon written approval from the ARC. The Lot and building area shall be kept reasonably clean and in workmanlike order, free of litter, during the construction period with a garbage disposal facility located on site during such construction period. If construction has not commenced within three (3) months after the project has been approved by the ARC, the approval shall be deemed revoked unless the Owner has applied for and received an extension of time from the ARC. All provisions of this Article 4 shall exclude any construction by the Declarant.

4.5. Landscaping. The Association shall maintain the landscaping associated with the entry monument, and the right of way landscaping along Oregon State Highway 224 from the curb line to the adjacent property line as well as the landscaping on Tracts 'A', 'B', 'C,' and the "Park." The entirety of Tract "C" is intended for native plantings which are to remain in their natural state, except for the maintenance of Declarant installed plantings, removal and/or pruning of invasive, non-native vegetation. Maintenance in native areas shall include irrigation of Declarant installed plants, as required for establishment. Owners may use any enclosed side and rear yard for any purpose not prohibited hereunder, provided such use is not deemed, by the ARC or the Association to be a nuisance. Maintenance of all landscaping on Lots, including street trees and/or street frontage landscaping is the Owner's sole responsibility.

(a). Landscape installation on Lot by Owners is subject to approval by the ARC. Street frontage trees, landscaping, and/or perimeter landscaping installed by Declarant on or abutting individual Lots are to be maintained by the Owner in the same manner and with same high pride of ownership as the Lot Owner is required to use when maintaining the rest of his property. Completed landscaping on Lots shall be installed by Owners no later than six (6) months after occupancy. All landscaping on Lots shall be maintained by Owners in a good condition, including watering, weeding, pruning, fertilization, mowing and other forms of maintenance. If Owner fails to maintain and/or repair Owner maintained landscaping, Declarant, or the

Board of Directors reserves the right to cause maintenance and/or repair of said landscaping on behalf of Owner subject to Section 4.21.

(b) Declarant reserves the right to install and maintain landscape improvements on any Lot(s) identified as model homes and on any Common Area Tracts for sales and marketing purposes. Declarant is not obligated to provide any landscaping in said areas noted in this section.

(c) No yard pieces or yard art, including but not limited to sculptures, statues, and other freestanding or attached works, whether for decoration or otherwise, more than twelve inches (12") tall or twelve inches (12") wide shall be permitted outside of the buildings or within view from the street without prior written approval of the ARC.

4.6. Rental of Homes. An Owner shall be entitled to rent or lease his residence if:

(a) Written Rental Agreements Required. There is a written rental or lease agreement specifying that: (i) the tenant shall be subject to all provisions of the Declaration, Bylaws and Rules and Regulations, and (ii) failure to comply with any provision of the Declaration, Bylaws and Rules and Regulations shall constitute a default under the rental agreement.

(b) Minimum Rental Period. The period of the rental or lease is not less than thirty (30) days.

(c) Tenant Must Be Given Documents. The Owner gives each tenant a copy of the Declaration, Bylaws and Rules and Regulations.

(d) Owner Responsibility. Owner shall be responsible for any violations by tenants and shall be solely responsible for either correcting or eliminating such violations, or getting tenant to do same.

(e) Limitation/Cap Regarding Investment Property. At any given time, Investment Property shall not make up greater than twenty-five percent (25%) of the total Lots located within Windswept Waters. Occupancy of Investment Property shall be limited to the tenant, such tenant's visitors and guests. At least fifteen (15) days prior to entering into any rental or lease agreement, an Owner must notify the Board of Directors in writing of such Owner's intent, the name and address of the proposed tenant and the circumstances of the proposed rental arrangement. If the Board of Directors finds that such proposed tenancy will not exceed the limitation on Investment

Property described in the first sentence of this subsection and otherwise is not detrimental to the Association and Windswept Waters, the Board of Directors will approve such tenancy. Provided, however, such tenants shall always be under the control of and subject to all provisions of the Declaration, Bylaws and Rules and Regulations. At any time during the tenancy, the Board of Directors may cause the termination of such tenancy and evict such tenants for cause with or without joining the Owner of such Lot/Home in any such action.”

4.7. Animals. No animals, livestock or poultry of any kind shall be raised, bred, kept or permitted within any Lot other than a reasonable number of domestic household pets which are not kept, bred or raised for commercial purposes and which are reasonably controlled so as not to be a nuisance. Any inconvenience, damage or unpleasantness caused by such pets, including noise and odor, shall be the responsibility of the respective Owners thereof. No dogs shall be permitted to roam the Property unattended, and all dogs shall be kept on a leash while outside a Lot, accompanied by a person responsible for cleaning up any animal waste. An Owner may be required to remove a pet from the Property upon the receipt of the third notice in writing from the Association Board of Directors of violation any rule, regulation or restriction governing pets within the Property. A “reasonable number of pets” and the definition of “domestic household pets” shall be subject to rules adopted and approved by the Board in its sole discretion.

4.8. Nuisance/Hazardous Activities. No odors or loud noises shall be permitted to arise or emit from any Lot or Common Areas so as to render any such property or portion thereof, or activity thereon, unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to the occupants of such property. No noxious, harmful or offensive activities, including, but not limited to, firearm discharge and open fires except in a contained outdoor fireplace or barbeque while attended, shall be carried on upon any Lot or Common Area, nor shall anything be done or placed on any Lot or Common Area which interferes with or jeopardizes the enjoyment, or which is a source of annoyance to the other Owners or Occupants.

4.9. Parking. No motor vehicles classed by manufacturer rating as exceeding one ton, recreational vehicle, mobile home, travel trailer, tent trailer, utility trailer, camper, boat, boat trailer, detached camper, camper shell or other similar vehicles or equipment may be parked, maintained, constructed, reconstructed or repaired on any Lot, Common Areas or street within the Property. Notwithstanding the foregoing, any of the above described vehicles may be stored in a garage or behind the building line provided said vehicles are screened from other Lots, the street, or Common Areas, and said screening device is in compliance with the CC&R’s and approved by the ARC. This paragraph shall not apply to cleaning,

loading and short term parking which shall be permitted for a cumulative period not to exceed forty-eight (48) hours in any calendar month. Parking shall only be in garages or driveways if no portion of the vehicle overhangs the street, sidewalks or pathways. Garages shall be primarily used for vehicular parking and not solely for storage. In addition, parking of vehicles is prohibited on any public street, private street or Common Area within the Property if so designated as a "no parking" area.

4.10. Vehicles in Disrepair. No Owner shall permit any vehicle which is not currently licensed or is in an extreme state of disrepair to be abandoned or to remain parked upon any Lot for a period that exceeds forty-eight (48) hours, nor on a street or Common Area for any length of time. A vehicle shall be deemed in an "extreme state of disrepair" when the Board of Directors reasonably determines that its presence offends the Owners and Occupants. Should any Owner fail to remove such vehicle within five (5) days following the date on which the notice is mailed to him by the Association, the Association may have the vehicle removed from the Property and charge the expense of such removal to the Owner. No repair or maintenance of vehicles shall be allowed in parking spaces. All oil or grease on roadways or driveways shall be cleaned up immediately by Owner.

4.11. Signs. No signs shall be erected or maintained on any Lot except that not more than one "For Sale" sign placed by the Owner, Declarant or by a licensed real estate agent, not exceeding twenty-four (24) inches high and thirty-six (36) inches long, may be temporarily displayed on any Lot, subject to the provisions of Section 9.2 below. No "For Rent", "For Lease" or other similar type signs shall be displayed upon any Lot, Home, Tract or Property within the community of Windswept Waters. The restrictions contained in this paragraph shall not prohibit the temporary placement of "political" signs on any Lot by the Owner or Occupant, or construction and marketing related signage by the Declarant or his/her/their contractors. No signs of any kind, other than Declarant's marketing signs, will be allowed on Common Areas.

4.12. Rubbish and Trash. No Lot or part of the Common Area shall be used as a dumping ground for trash or rubbish of any kind. All garbage and other waste shall be kept in appropriate containers for timely and proper disposal, out of public view. Yard rakings, dirt and other material resulting from landscaping work shall not be dumped onto streets, the Common Areas or any other Lots. Should any Owner fail to remove any trash, rubbish, garbage, yard rakings or any such materials from any Lot, any roadways or Common Area where deposited by him/her within five (5) days following the date on which notice is mailed to him/her by the Board of Directors, the Association may have such materials removed and charge the expense of such removal to the Owner. Each Owner is responsible for trash disposal, and shall remove individual trash containers within 12 hours of collection. No trash and

storage containers shall be visible from any adjacent street or neighboring Lot, and shall not be allowed to emit any odors or attract insects or rodents.

4.13. Fences and Hedges. No fences or boundary hedges shall be installed without prior written approval of the ARC. Any fencing installed on Owner's Lots either by Owner, or by Declarant, will be Owner's maintenance responsibility. All fences that are Owner's responsibility are to be maintained in condition acceptable to Board and ARC. Fences within Common Area Tracts will be maintained by the Association. All side-yard fencing shall maintain a five (5) foot setback from the front of the house. Further, no fencing shall be installed in the front yard. All fence material designs and colors are subject to prior approval of the ARC. No chain link fencing will be visible from the street.

4.14. Service Facilities; Utilities. Service facilities (e.g. garbage containers, clotheslines, air conditioning compressors, etc.) shall be screened such that the elements screened are not visible at any time from the street or a neighboring Lot. Vegetative screens are encouraged. All utility lines shall be maintained, repaired and replaced by the Owner of each Lot, or all Owners individually or collectively at their sole expense. The Association is not responsible for the maintenance of any utility, cable TV, or phone services of facilities. The exterior location of any heating and air conditioning compressors or heat pumps shall be approved in advance by the ARC. Said locations must take into consideration the noise and view from adjacent Homes.

4.15. Antennas, Satellite Dishes and Solar Collectors. No Owner may erect or maintain a television or radio receiving or transmitting antenna, satellite dish or similar implement or apparatus, or solar collector panels or equipment upon any Lot unless such apparatus is erected and maintained in such a way that it is screened from public view along the public street right-of-way directly in front (and side, in the case of a corner Lot) of the house erected on such Lot; and no such apparatus shall be erected without the prior written consent of the ARC. Exterior satellite dishes with a surface diameter of eighteen (18) inches or less may be placed on any Lot so long as they are not visible from the street and are screened from all neighboring Homes. The ARC, as designated in this Declaration, shall have the absolute authority to determine whether an accessory is adequately screened from public view. The authority of the ARC in this matter shall be subject to any regulations issued by the Federal Communications Commission ("FCC") or any other applicable governmental authority.

4.16. Exterior Lighting or Noisemaking Devices. Except with the consent of the ARC, no exterior lighting or noisemaking devices shall be installed or maintained on any Lot, other than security and fire alarms. However, false alarms of

security and fire systems will not be allowed to repeatedly occur. Holiday lights shall be allowed beginning the Saturday before Thanksgiving through the second week in January. All outdoor lights must be removed by January 31.

4.17. Grades, Slopes, and Drainage. There shall be no modification to and/or interference with the established grading and/or drainage patterns or other systems over or through any Lot or Common Area on the Property, unless properly engineered and permitted by the City, if required and as approved by the ARC. Notwithstanding the foregoing, however, any permitted modifications to the established grading and/or drainage patterns may not affect other Lots, Common Areas and/or real property on or outside of the Property. The term "established grading and/or drainage patterns" shall mean any Declarant installed walls, grading, drainage systems, conduits, inlets and outlets, designed and constructed on the Property.

4.18 Damage or Destruction to Home and/or Lot. If all or any portion of a Lot or Home is damaged by fire or other casualty, the Owner shall either (i) restore the damaged improvements or (ii) remove all damaged improvements, including foundations, and leave the Lot in a clean and safe condition. Any restoration proceeding under (i) above must be performed so that the improvements are in substantially the same condition in which they existed prior to the damage, subject to current governmental regulations and building codes, and the provisions of Article 6 are to be complied with by the Owner. The Owner must commence such work within sixty (60) days after the damage occurs and must complete the work within six (6) months thereafter.

4.19. Detached Buildings. No permanent or removable detached accessory buildings, including, but not limited to, storage buildings, greenhouses, children's playhouses and similar structures, shall be built without the prior written consent of the ARC. No detached building or structure shall exceed nine (9) feet in height and shall be screened from neighboring lots and/or public view. No detached buildings shall be used as additional living space and none shall contain any plumbing. Permanent outbuildings shall be of a one (1) story design, constructed of wood whose roofing, siding color, style and finish matches that of the exterior material of the house. Metal sheds are prohibited. Heavy duty rubber or unbreakable plastic or composite storage sheds that are portable and temporary in nature, MAY be approved providing that they are: 1) screened or hidden from the view of neighboring lots and common areas, and 2) aesthetically harmonious with the home in terms of color and texture/finish (e.g. pebbled/muted/dull).

4.20. Owner's Maintenance Obligations. Each Owner shall maintain their

Lot and improvements in a clean and attractive condition, in good repair and in such a fashion so as not to create a hazard of any kind. Such maintenance shall include, without limitation, painting or staining, repair, replacement and care of roofs, gutters, downspouts, surface water drainage, walks and other exterior improvements and glass surfaces. In addition, each Owner shall keep shrubs, trees, grass and plantings of every kind neatly trimmed, fertilized, property cultivated and free of trash, weeds and other unsightly materials. The provisions of this section include all areas on Lots, except as provided in 3.4 (h), and 4.5 above.

4.21. Right of Maintenance and Entry by Association. If an Owner fails to perform maintenance and/or repair which he is obligated to perform pursuant to this Declaration for buildings or landscaping, and if the Board determines, after notice and a hearing (given pursuant to the provisions of the Bylaws), that such maintenance and/or repair is necessary to preserve the attractiveness, quality, nature and/or value of Windswept Waters, the Board may cause such maintenance and/or repair in connection therewith to be performed and may enter any such Lot whenever entry is necessary in connection with the performance of any maintenance or construction which the Board is authorized to undertake. Entry shall be made with as little inconvenience to an Owner as practicable and only after advance written notice of not less than forty-eight (48) hours, except in emergency situations. Such right of maintenance shall include, but not be limited to, buildings, street trees and front and side yard landscape. Any repairs and/or maintenance performed on the Owner's behalf shall be done at Owner's sole expense.

4.22. Association Rules and Regulations. The Board of Directors, from time to time, may adopt, modify or revoke Rules and Regulations governing the conduct of persons and the operation or use of Lots and Common Areas, as it may deem necessary or appropriate in order to assure the peaceful and orderly use and enjoyment of the Property. A copy of any Rules and Regulations, upon adoption, amendment, modification or revocation thereof, shall be delivered by the Board of Directors promptly to each Owner and shall be binding upon all Owners and Occupants of all Lots upon the date of delivery or actual notice thereof. The method of adoption of such Rules and Regulations shall be provided in the Bylaws of the Association.

4.23. City and County Ordinances and Regulations. The standards and restrictions of the Article 4 shall be the minimum required. To the extent the ordinances and regulations of The City of Damascus, OR and/or Clackamas County are more restrictive or provide for a higher or different standard, the ordinances and regulations of The City of Damascus, OR and/or Clackamas County, or any jurisdiction the Property may be annexed into, shall prevail.

4.24. Violation. The Association may impose a fine, charge or penalty for any violation of this Declaration, the Bylaws and Rules and Regulations after reasonable notice of the violation and a reasonable opportunity for a hearing. Additionally, the Association may seek injunctions or other equitable relief or may file an action for money damages owing from such violations.

ARTICLE 5

COMMON AREA

5.1 Use of Common Areas. Use of Common Areas is subject to the provisions of the Declaration, Bylaws, Articles and Rules and Regulations promulgated by the Board of Directors. There shall be no use of the Common Area except by Owners and their invitees. There shall be no material change in the use of Common Areas without a public hearing and approval of Clackamas County. There shall be no obstruction of any part of the Common Area. Nothing shall be stored or kept in the Common Area without the prior written consent of the Board of Directors. No alterations or additions to the Common Area shall be permitted without the prior written approval by the Board of Directors. Nothing shall be stored or kept in the Homes or Common Area which will increase the rate of insurance on the Common Area without the prior written consent of the Board.

5.2 Maintenance of Common Area. The Association shall be responsible for maintenance, repair, replacement, upkeep and payment of taxes, if any for the Common Areas and all other commonly maintained areas as described in this Declaration, not maintained by a public agency or Lot Owner. Such maintenance shall include, but not be limited to, all drainage systems, landscaping, irrigation systems, benches, utilities, recreational equipment, private drives, fencing, walls, pathways and any other improvements that may be included in Common Areas. The Association shall keep all commonly maintained areas and improvements thereon in good condition and repair, provide for all necessary services and cause all acts to be done which may be necessary or proper to assure these areas are kept in first class condition.

(a) Maintenance of Storm Water Facilities. The southeast corner of Tract 'C' is to be used as a storm water detention facility. Pursuant to the recorded Declaration and Maintenance Agreement for Onsite Storm Water Facilities (Exhibit "A" attached hereto), Clackamas County Service District #1 will maintain the storm water detention facility and assess the cost of such maintenance to each of the Lots. The Association, however, and the Lot

Owners shall be jointly and equally responsible for maintaining the surrounding vegetation, fencing, retaining wall, and landscaping, the cost of which will be a General Common Expense of the Association. Tract "C" shall be maintained as follows:

(i) Vegetation. Vegetation shall be healthy and dense enough to provide filtering while protecting underlying soils from erosion and minimizing solar exposure of open water areas. Grass (if applicable) shall be mowed to 4" - 6" high and grass clippings shall be removed. Vegetation, large shrubs or trees that limit access or interfere with wet pond operation shall be pruned or removed. Fallen leaves and debris from deciduous plant foliage shall be raked and removed. Nuisance or prohibited vegetation from the Metro Plant list (such as blackberries or English Ivy) shall be removed when discovered. Invasive vegetation contributing up to 25% of vegetation of all species shall be removed and replaced. Dead vegetation shall be removed to maintain less than 10% of area coverage or when wet pond function is impaired. Vegetation shall be replaced within three months, or immediately if required to maintain cover density and control erosion where soils are exposed. Any vegetation producing foul odors shall be eliminated.

(ii) Spill Prevention. Spill prevention measures shall be exercised when handling substances that can contaminate stormwater. Any releases of pollutants shall be corrected as soon as identified.

(iii) Access. Access to the water quality pond shall be maintained in a safe manner. Obstacles preventing maintenance personnel and/or equipment access to the wet pond shall be removed. Gravel or ground cover shall be added if erosion occurs due to vehicular or pedestrian traffic.

(iv) Debris Management. The Windswept Waters Homeowners Association shall periodically clean the open space and water quality detention pond. Debris in quantities sufficient to inhibit operation shall be removed upon discovery.

(v) Insects and Rodents. Insects and rodents shall not be harbored in the pond. Pest control measures shall be taken when either is found to be present. If sprays are necessary, a mosquito larvicide, such as Bacillus Thurendensis or Altoside formulations may be applied only by a licensed individual or contractor. Holes in the ground located in and around the pond shall be filled.

(vi) Fences. Fences shall be maintained to preserve their functionality and appearance. Fences with jagged edges or other damage shall be repaired or replaced.

(b) Maintenance of Perimeter Wall. The Association shall diligently maintain the entirety of that certain perimeter wall that encompasses the Windswept Waters subdivision in a good and workmanlike manner. Such maintenance obligation shall apply to the entirety of such perimeter wall, including, but not limited to, any portion of such wall that may exist within any public right-of-way area. If, however, the act of omission of any owner or guest, invitee, licensee, contractor or agent of an owner, causes damage to the perimeter wall, such owner shall be financially responsible for repair of the perimeter wall (such repair to be promptly completed under the supervision and approval of the Association.) The perimeter wall shall be maintained at all times in a manner that such wall is rendered safe for both public presence and travel in the proximity of such perimeter wall. The Association shall be responsible for maintaining the structural stability of the perimeter wall, including maintenance necessitated by flooding, wind damage, or freezing temperatures. If the Association fails to maintain and/or repair the perimeter wall, ODOT reserves the right to cause maintenance and/or repair of said perimeter wall on behalf of the Association. ODOT further reserves the right to determine whether such perimeter wall requires maintenance and/or repair through utilization of reasonable engineering principles. Any repairs and/or maintenance performed on the Association's behalf shall be done at the Association's sole expense.

Any notice or document pertaining to the Perimeter Wall to be given to the Association or to ODOT may be delivered to the currently known addresses listed below:

(c) Maintenance of Retaining Walls. The Retaining Walls are not in all

cases located on a Lot or Tract line. The location of a Retaining Wall (or the construction by an Owner of any improvements on or near the Retaining Wall) shall not constitute evidence of the intended location of a Lot line, or provide grounds for any claim of adverse possession or prescriptive easement. Each Lot upon which any portion of a Retaining Wall is located shall be subject to an easement, for the benefit of all other Lots, for the purposes of support by and natural drainage from such Retaining Wall. Retaining Walls may or may not have been designed by a professional engineer, and no Owner shall take any action to add, construct or place any improvement on the Lot so that it may, in the judgment of the Association: result in disturbance of, weakening of, or damage to the Retaining Walls; increase any engineered load or alter design criteria; or cause damage to the wall and surrounding properties. Any improvements on a Lot will need prior approval of Architectural Review Committee. Any Lot Owner who takes action to improve, alter, or repair any Retaining Wall shall be responsible for all resulting costs of repair and restoration of the Retaining Wall, regardless of approval given by the Architectural Review Committee to take such action. Neither the Association nor any other Owner shall have any affirmative obligation to maintain or repair a Retaining Wall other than those designated to be maintained by the Association in (f) (iv) 1.) listed above. However, should they elect to do so, the Association, any Owner whose Lot is adjacent to a Retaining Wall, and their duly authorized agents and representatives, shall have the right to enter the property upon which any portion of a Retaining Wall is located for the purpose of making any necessary repair to or maintenance of the Retaining Wall.

5.3 Alterations to Common Area. Only the Association shall construct, reconstruct, or alter any improvement situated upon the Common Area. A proposal for any construction of or alteration, maintenance or repair to an improvement may be made at any meeting. No material change in use of Common Areas shall occur without a public hearing and approval by Clackamas County. A proposal may be adopted by the Board, subject to the limitations contained in the Bylaws and the Declaration.

5.4 Funding. Expenditures for alterations, maintenance or repairs (including, but not limited to, maintenance and repair of the perimeter wall) to an existing capital improvement for which a reserve has been collected shall be made from the reserve account. As provided in Section 10.6, the Board may levy a special assessment to fund any construction, alteration, repair or maintenance of an improvement (or any other portions of the Common Area) for which no reserve has been collected or for which the reserve account is insufficient to cover the cost of the proposed improvement.

5.5 Landscaping. All landscaping on any Lot or Common Area shall be maintained and cared for in a manner consistent with the standard of design and quality as originally established by Declarant or the ARC. The Association shall maintain the landscaping associated with the entry monument, Highway 224 frontage as described in Sections 3.4 (g) and 4.5 of this Declaration and the landscaping on Tracts 'A', 'B', 'C', the "Park", and all non-lot street frontage planter strips. Landscape maintenance of Tract 'C' is subject to the Declaration and Maintenance Agreement for Onsite Stormwater Facilities, Exhibit "A" attached hereto. Any Owner maintained areas shall be kept free of weeds and diseased or dead lawn, trees, ground cover or shrubs shall be promptly removed and replaced. All lawn areas shall be fertilized and neatly mowed, and trees and shrubs shall be fertilized and neatly trimmed on a regular basis.

5.6 Condemnation of Common Area. If all or any portion of the Common Area is taken for any public or quasi-public use under any statute, by right of eminent domain or by purchase in lieu of eminent domain, the entire award shall be received by and expended by the Board of Directors in a manner which in their discretion is in the best interest of the Association. The Association shall represent the interest of all Owners in any negotiations, suit or action or settlement in connection with such matters.

5.7 Damage or Destruction of Common Area. In the event any Common Area is damaged or destroyed by an Owner or any of his Occupants, guests, tenants, licensees, agents or members of his family in a manner that would subject such Owner to liability for such damage under Oregon law, such Owner does hereby authorize the Association to repair such damage. The Association shall repair the damage and restore the area in workmanlike manner as originally constituted or as may be modified or altered subsequently by the Association in the discretion of the Board of Directors. The reasonable cost necessary for such repairs shall become a special assessment upon the Lot of the Owner who caused or is responsible for such damage.

5.8 All open space and Common Area restrictions shall continue in perpetuity.

ARTICLE 6

ARCHITECTURAL REVIEW COMMITTEE

6.1. Architectural Review. No improvements, including landscaping of any kind, shall be commenced, erected, placed or altered on any Lot until the

construction plans and specifications showing the nature, shape, heights, materials, colors, and proposed location of the improvement have been submitted to and approved in writing by the ARC. It is the intent and purpose of this Declaration to assure quality of workmanship and materials and to assure harmony of exterior design with the existing improvements and landscaping. The ARC is not responsible for determining compliance with structural and building codes, solar ordinances, zoning codes or other governmental regulations, all of which are the responsibility of the Lot Owners. The procedure and specific requirements for review and approval of construction may be set forth in design guidelines adopted from time to time by the ARC. Construction by the Declarant is presumed to have been approved and is thereby exempt from this review. In all cases which the ARC consent is required by this Declaration, the provision of this Article shall apply.

6.2. Architectural Review Committee, Appointment and Removal. The ARC shall consist of no fewer than three (3) members and no more than five (5) members, as the Board may appoint from time to time. The Declarant reserves the right to appoint all members of the ARC and all replacements thereto until Turnover Meeting. The Declarant may appoint a single person to serve as the ARC. After the Turnover Meeting, Declarant shall delegate the right to appoint and remove members of the ARC to the Board of Directors. The terms of office for each member of the ARC shall be for one (1) year unless lengthened by the Board at the time of appointment or unless the Board serves as the ARC in which event the terms of the ARC members shall be the same as their terms as Board members. The Board may appoint any or all of its members for the ARC and there should be no requirement for non-Board members on the ARC. The Board may appoint one or more members to the ARC who are not Owners, but who have special expertise regarding the matters which come before the ARC. In the sole discretion of the Board, such non-Owner members of the ARC may be paid and that cost paid by applicants or the Association.

6.3. Majority Action. Except as otherwise provided in this Declaration, a majority of the members of the ARC shall have the power to act on behalf of the ARC, without the necessity of a meeting and without the necessity of consulting the remaining members of the ARC. The ARC may render its decision only by written instrument setting forth the action taken by the members consenting thereto.

6.4. Duties. The ARC shall consider and act upon the proposals and/or plans submitted pursuant to this Article. The ARC, from time to time and at its sole discretion, may adopt architectural rules, regulations and guidelines ("Architectural Standards"). The Architectural Standards shall interpret and implement the provisions of this Declaration for architectural review and guidelines for architectural design, placement of buildings, color schemes, exterior finishes and materials and similar features which may be used in the Property; provided, however that the

Architectural Standards shall not be in derogation of the minimum standards established by this Declaration.

6.5. ARC Decision. The ARC shall render its approval or denial decision with respect to the construction proposal within twenty (20) working days after it has received all material required by it with respect to the application. All decisions shall be in writing. In the event the ARC fails to render its decision of approval or denial in writing within sixty (60) days of receiving all material required by it with respect to the proposal, the application shall be deemed approved. Approval by the ARC does not imply government approval which is solely the responsibility of the Owner.

6.6. ARC Discretion. The ARC may, at its sole discretion, withhold consent to any proposed work if the ARC finds the proposed work would be inappropriate for the particular Lot or incompatible with the design standards that the ARC intends for Windswept Waters. Consideration such as siting, shape, size, color, design, height, solar access, or other effect on the enjoyment of other Lots or the Common Area, and any other factors which the ARC reasonably believe to be relevant, may be taken into consideration by the ARC in determining whether or not to consent to any proposed work.

6.7. Nonwaiver. Consent by the ARC to any matter proposed to it or within its jurisdiction shall not be deemed to constitute a precedent or waiver impairing the ARC's right to withhold approval as to any similar matter thereafter proposed or submitted to it for consent.

6.8. Appeal. At any time after Declarant has delegated appointment of the members of the ARC to the Board of Directors pursuant to Section 6.2, any Owner adversely impacted by action of the ARC may appeal such action to the Board of Directors. Appeals shall be made in writing within ten (10) days of the ARC's action and shall contain specific objections or mitigating circumstances justifying the appeal. If the Board is already acting as the ARC, the appeal shall be treated as a request for a rehearing, but in such case the Board must actually meet and receive evidence and argument. A final, conclusive decision shall be made by the Board of Directors within fifteen (15) days after receipt of such notification. The determination of the Board shall be final.

6.9. Effective Period of Consent. The ARC's consent to any proposed work shall automatically be revoked three (3) months after issuance unless construction of the work has been commenced or the Owner has applied for and received an extension of time from the ARC.

6.10. Determination of Compliance. The ARC shall inspect, from time to time, all work performed and determine whether it is in substantial compliance with the approval granted. If the ARC finds that the work was not performed in substantial conformance with the approval granted, or if the ARC finds that the approval required was not obtained, the ARC shall notify the Owner in writing of the noncompliance. The notice shall specify the particulars of any noncompliance and shall require the Owner to take the necessary action to bring the work into compliance with the approved project.

6.11. Noncompliance. If the ARC determines that an Owner has not constructed an improvement consistent with the specifications on which approval is based, and if the Owner fails to diligently commence to remedy such noncompliance in accordance with the provisions of the notice of noncompliance, then at the expiration of the third (3rd) day from the date of such notification, the ARC shall provide a notice of a hearing to consider the Owner's continuing noncompliance. The hearing shall be set not more than thirty (30) days from the date of the notice of noncompliance. At the hearing, if the ARC finds that there is no valid reason for the continuing noncompliance, the ARC shall determine the estimated costs of correcting it. The ARC shall then require the Owner to remedy or remove the same within a period of not more than ten (10) days from the date of the ARC's determination. If the Owner does not comply with the ARC's ruling within such period or within any extension of such period as the ARC, at its discretion, may grant, the Association may (a) remove the noncomplying improvement, (b) remedy the noncompliance, or (c) file suit to compel compliance. The costs of such action shall be assessed against the Owner and his Lot, including all attorneys' fees and other costs expended and incurred to enforce compliance before suit or action is filed and at trial or on any appeal or review of therefrom.

6.12. Liability. Neither the ARC, the Board, their agents, nor any member thereof shall be liable to any Owner, Occupant, or builder for any damage, loss or prejudice suffered or claimed or claimed to be suffered arising from any action by the ARC or a member thereof or failure of the ARC or a member thereof, provided only that the member has acted in good faith in accordance with the actual knowledge possessed by him.

6.13. Estoppel Certificate. Within fifteen (15) working days after written request is delivered to the ARC by an Owner, and upon payment to the ARC of a reasonable fee fixed by the ARC to cover costs, the ARC shall provide such Owner with a certificate executed by the Chairman of the ARC, and acknowledged, certifying with respect to any Lot owned by the Owner, that as of the date thereof either (a) all improvements made or done upon or within such Lot by the Owner comply with this Declaration or any Rules and Regulations either promulgated by the

Board or the ARC, or (b) such improvements do not so comply, in which event, the certificate shall also identify the noncomplying improvements and set forth with particularity the nature of such noncompliance. The Owner, his/her/their heirs, devisees, successors and assigns shall be entitled to rely on the certificate with respect to the matters set forth. The certificate shall be conclusive as between the Declarant, the ARC, the Association and all Owners, and all such persons deriving an interest through any of them.

ARTICLE 7

WINDSWEPT WATERS HOMEOWNERS ASSOCIATION

7.1. Members. Each Owner shall be a mandatory member of the Association. Membership in the Association shall be appurtenant to, and may not be separated from, ownership of any Lot. Transfer of ownership of a Lot automatically transfers membership in the Association. Without any other act or acknowledgement, Occupants and Owners shall be governed and controlled by this Declaration the Articles, Bylaws, and Rules and Regulations and any amendments thereof.

7.2. Proxy. Each Owner may cast his vote in person, pursuant to a proxy executed by the Owner, or by written ballot, as provided by ORS 94.647. An Owner may not revoke a proxy given pursuant to this section except by actual notice or revocation to the person presiding over a meeting of the Association. A proxy shall not be valid if it is undated or purports to be revocable without notice. A proxy shall terminate one (1) year after its date, unless the proxy specifies a shorter term.

7.3. Voting Rights. The Association shall have two (2) classes of voting members.

(a) Class A. Class A members shall be all Owners of Lots other than the Declarant, and each Class A member shall be entitled to one (1) vote for each Lot owned with respect to all matters upon which Owners are entitled to vote.

(b) Class B. The Class B member shall be Declarant, its successors and assigns. The Class B member shall have three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership upon the earlier of:

(i). When one hundred percent (100%) of the Lots have been sold and conveyed to Owners other than Declarant ("Termination Date"); or

(ii). At such earlier time as Declarant may elect in writing to terminate Class B membership.

Thereafter, each Owner, including the Declarant, shall be entitled to one (1) vote for each Lot owned with respect to all matters upon which Owners are entitled to vote, and the total number of votes shall be equal to the total number of Lots.

When more than one (1) person or entity owns a Lot, the vote for such Lot may be cast as they shall determine, but in no event will fractional voting be allowed. Fractional or split votes shall be disregarded, except for purposes of determining a quorum. The total number of votes as of the Termination Date and thereafter shall be equal to the total number of Lots.

7.4. Procedure. All meetings of the Association, the Board of Directors, the ARC, and Association committees shall be conducted with such rules of order as may from time to time be adopted by the Board of Directors. Notwithstanding which rule of order is adopted, the chairman shall be entitled to vote on all matters, not merely to break a tie vote. A tie vote does not constitute a majority or approval of any motion or resolution.

ARTICLE 8

DECLARANT CONTROL

8.1. Interim Board and Officers. The Declarant hereby reserves administrative control of the Association. The Declarant, in its sole discretion, shall have the right to appoint and remove members of the Interim Board of Directors, which shall manage the affairs of the Association and which shall be vested with all powers and rights of the Board of Directors. The Interim Board shall consist of from one to three members. Notwithstanding the provision of this Section, at the Turnover Meeting (as hereinafter defined) at least one (1) Director shall be elected by Owners other than the Declarant, even if the Declarant otherwise has voting power to elect all of the members of the Board.

8.2. Turnover Meeting. The Declarant shall call a meeting for the purpose of turning over administrative control of the Association from the Declarant to the Class A members within ninety (90) days of the earlier of:

(a) Upon Sale of Lots. The date that Lots representing one hundred percent (100%) of Lots subject to this Declaration, plus any recorded annexation of additional Lots, have been conveyed to persons other than the Declarant; or

(b) Declarant's Earlier Election. At such earlier time as Declarant may elect in writing to terminate Class B membership.

The Declarant shall give notice of the meeting to each Owner as provided in the Bylaws. If the Declarant does not call the meeting required under this Section, any Owner may do so.

8.3 Board of Directors. At and following Turnover, the Board of Directors of the Association shall be comprised of five (5) directors. The directors will be elected by a plurality of the total membership of the Windswept Waters Homeowners Association. In the event of a vacancy occurring on the Board, the position of such director(s) shall be filled in accordance with the terms and provisions of the Bylaws through appointment by the Board of Directors. Terms of office shall be staggered such that in the first election at the Turnover Meeting, as described in the Bylaws, two Directors shall serve a term of 3 years, two for 2 years and one for 1 year.

ARTICLE 9

DECLARANT'S SPECIAL RIGHTS

9.1. General. Declarant is undertaking the work of developing Lots and other improvements within Windswept Waters. The completion of the development work and the marketing and sale of the Lots is essential to the establishment and welfare of the Property as a residential community. Until the Homes on all Lots on the Property have been constructed, fully completed and sold, with respect to the Common Areas and each Lot on the Property, the Declarant shall have the special rights set for in this Article 9.

9.2. Marketing Rights. Declarant shall have the right to maintain a sales office and model on one or more of the Lots which the Declarant may or may not own, to be staffed by the employees of the Declarant or any licensed real estate sales agents. The Declarant and prospective purchasers and their agents shall have the right to use and occupy the sales office and models during reasonable hours any day

of the week. The Declarant may maintain a reasonable number of "For Sale" signs at reasonable locations of the Property, including, without limitation, the Common Area.

9.3. Declarant's Easements. The Declarant has reserved easements over the Property as more fully described in Article 3.4 hereof.

9.4. Appearance and Design of Windswept Waters. Declarant shall not be prevented from changing the exterior appearance of the Common Area, including the landscaping or any other matter directly or indirectly connected with project in any manner deemed desirable by Declarant, provided that the Declarant obtain governmental consents required by law. The construction and material standards of Article 4 notwithstanding, Declarant may change exterior and/or interior designs of Homes and Lots from initial plans and provisions in this document, without notice. This may include designs, colors, and type of materials, provided Declarant obtains any necessary governmental consent.

9.5 Construction by Declarant. All construction by Declarant is presumed to have been approved by the ARC and to meet any Design Guidelines of the Association.

ARTICLE 10

FUNDS AND ASSESSMENTS

10.1. Purpose of Assessment. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners and Occupants and for the improvement, operation and maintenance of the Common Area, including administrative costs and insurance for Association. No individual structure insurance will be provided by Association.

- (a) Common Expense Designations. Common Expenses of the nature described in Section 10.1 which are to be, or are, incurred by the Association for the benefit of all of the Owners of Lots within the Property shall be separately budgeted for allocation among all such Owners and shall be designated "General Common Expenses".

10.2. Covenants to Pay. Declarant, on behalf of each and every subsequent Owner of any Lot, covenants and agrees that each Lot will pay the Association the assessments and any additional charges levied pursuant to this Article 10.

(a) Funds Held. The assessments collected by the Association shall be held by the Association for and on behalf of each Owner and shall be used solely for the operation, care and maintenance of Windswept Waters as provided by this Declaration. Upon the sale or transfer of any Lot, the Owner's interest in the funds shall be deemed automatically transferred to the successor in interest of such Owner, and is not refundable.

10.3. Basis of Assessments and Commencement of Assessments. Assessments are to be levied against all Lots, except those owned by the Declarant, whether or not such Lots have been improved with a substantially completed Home. Provided, however, that no Assessment shall be levied against any Lot until such time as it is first sold to an Owner other than Declarant or Declarant assignee. Assessments for all Lots conveyed by the Declarant to purchaser/Owner, either by deed or land sales contract shall begin on the day of the recording of the deed or land sale contract conveying or contracting to convey the Lot of the new Owner.

10.4. Annual Assessments. Annual assessments for each fiscal year shall be established when the Board approves the budget for that fiscal year. The fiscal year shall be the calendar year unless another year is adopted by vote of the Board members. Unless otherwise specified by the Board, annual assessments shall be due and payable in quarterly installments on the first day of each quarter during the term of this Declaration.

(a) Budget. Regardless of the number of Members or the amount of assets of the Association, each year the Board shall prepare, approve and make available to each Member a pro forma operating statement (budget) containing; (i) estimated revenue and expenses on an accrual basis; (ii) the amount of the total cash reserves of the Association currently available for replacement or major repair of the Common Area and for contingencies; (iii) an itemized estimate for the remaining life of, and the methods of funding to defray repair, replacement or additions to major components of the Common Area; and (iv) a general statement setting forth the procedures used by the Board in the calculation and establishment of reserves to defray the costs and repair, replacement or additions to major components of the Common Area. For the first fiscal year, the budget shall be approved by the Board no later than the date on which annual assessments are scheduled to commence. Thereafter, the Board shall annually prepare and approve the budget and distribute a copy thereof to each Member, together with written notice of the amount of the annual assessments to be levied against the Owner's Lot, not less than thirty (30) days and not more than ninety (90) days prior to the beginning of the fiscal year.

(b) Allocation of Assessments. The total amount in the budget shall be charged equally against all Lots as annual assessments.

(c) Non-Waiver of Assessments. If before the expiration of any fiscal year the Association fails to fix annual assessments for the next fiscal year, the annual assessments established for the preceding year shall continue until a new annual assessment is fixed.

10.5. Reserve Funds

(a) Reserve Fund for Replacing Common Area Improvements
Declarant shall in addition establish a reserve fund in the name of the Association for replacement, in whole or in part, of the Common Area and any improvements located in, on, or under the Common Area for which the Association is responsible pursuant to this Declaration, that will normally require replacement in more than three (3) and fewer than thirty (30) years. The reserve account need not include those items that could reasonably be funded from the maintenance fund. For purposes of funding the reserve fund, the Declarant initially, and thereafter the Association shall impose an assessment to be called the "Reserve Fund Assessment" against each Lot, which assessment shall be spread equally over the Lots. The Reserve Fund Assessment shall be based on the reserve study, and updates thereof, described in Section 10.5 (b), or other sources of reliable information. Nothing herein shall limit the authority of the Declarant or the Association to establish other separate and unrelated reserve funds that are funded by assessments for reserves that are in addition to the Reserve Fund or that relate only to a particular type or category of Lot. The Reserve Fund shall be kept separate from other funds and may be used only for the purposes for which reserves have been established as specified in this Section.

Required Reserve Fund Assessments for completed improvements shall begin accruing from the date the first Lot is conveyed to an Owner other than the Declarant or Declarant assignee. Declarant may elect to defer payment of the Reserve Fund Assessments due on Lots it owns until the date of the conveyance of the Lot to an Owner. However, the Declarant may not defer such payment beyond the date of the Turnover Meeting. The book and records of the Association shall reflect the amount owing from the Declarant for all Reserve Fund Assessments.

After the Turnover Meeting, the Board may borrow funds from the Reserve Fund to meet high seasonal demands on the regular operating funds or to meet other unexpected increases in expenses. Such funds borrowed from the

Reserve Fund shall be repaid from regular annual or special assessments against the Lots, if the Board has adopted a resolution, which may be an annual, continuing resolution, authorizing the borrowing of funds. Not later than the adoption of the budget for the following year, the Board shall adopt by resolution a written payment plan providing for repayment of the borrowed funds within a reasonable period.

The Board may adjust the amount of the Reserve Fund Assessments as indicated by any reserve study or update, and provide for any other reserve items that the Board, in its discretion, may deem appropriate during a fiscal year. In addition, after the second anniversary of the turnover meeting, the Association may elect to reduce or increase future Reserve Fund Assessments by a 75% vote of the Owners.

Any funds established for any of the purposes mentioned in this Section shall be deemed to be within the Reserve Fund notwithstanding that it may not be so designated by the Board of Directors. The amount of the Reserve Fund shall constitute an asset of the Association and shall not be refunded or distributed to any Owner.

(b) Reserve Study. The Board of Directors shall annually conduct a reserve study, or review and update an existing study, of the Common Area components to determine the requirements of the reserve fund described in Section 10.5 (a) above. The reserve study shall include (a) identification of all items for which reserves are required to be established; (b) the estimated remaining useful life of each item as of the date of the reserve study; (c) the estimated cost of maintenance, repair, or replacement of each item at the end of its useful life; and (d) a thirty (30) year plan with regular and adequate contributions, adjusted by estimated inflation and interest earned on the reserve fund, to meet the maintenance, repair, and replacement schedule. In addition, all reserve study updates, maintenance plans, and summaries will be conducted in accordance with Oregon Statutes.

10.6 Special Assessments. The Board of Directors shall have the power to levy special assessments against an Owner or all Owners in the following manner for the following purposes:

(a) Deficits in Operating Budget. To correct a deficit in the operating budget, by vote of a majority of the Board;

(b) Breach of Documents. To collect amounts due to the Association from an Owner for breach of the Owner's obligations under the

Declaration, the Bylaws, or the Rules and Regulations, by vote of a majority of the Board;

(c) Repairs. To make repairs or renovations to the Common Area if sufficient funds are not available from the operating budget or replacement reserve accounts by vote of a majority of the Board; or

(d) Capital Additions. To make capital acquisitions, additions or improvements, by vote of at least seventy-five percent (75%) of all votes allocated to the Lots.

10.7 Accounts.

(a) Types of Accounts. Assessments collected by the Association may be deposited into at least two (2) separate accounts with a bank, which accounts shall be designated as (i) the Current Operating Account and (ii) the Reserve Account. Those portions of the assessments collected for current maintenance and operation levied under Section 10.4 (b) will be in the Current Operating Account and those portions of the assessments collected as reserves for replacement and deferred maintenance of capital improvements into the Reserve Account. Special Assessments shall be deposited into one of the two accounts, whichever is deemed by the Board to be appropriate. Withdrawal of funds for the Association's Reserve Account shall require the signatures of two (2) Directors.

(b) Reserve Account. The Association shall pay out of the Reserve Account only those costs that are attributable to the maintenance, repair or replacement of capital improvements for which reserves have been collected and held. No funds collected for the Reserve Account may be used for ordinary maintenance and operation purposes, unless repaid within six (6) months of withdrawal, or as approved by a majority of Owners.

(c) Current Operating Account. All ordinary maintenance and operating expenses shall be paid from the Current Operating Account.

10.8 Default in Payment of Assessments, Enforcement of Liens.

(a) Personal Obligation. All assessments properly imposed under this Declaration or the Bylaws shall be the joint and several personal obligation of all Owners of the Lot to which such assessment pertains. In a voluntary conveyance (that is, one other than through foreclosure or a deed in lieu of foreclosure) the grantees shall be jointly and severally liable with the

grantor(s) for all Association assessments imposed through the recording date of the instrument affecting the conveyance. A suit for a money judgement may be initiated by the Association to recover such assessments without either waiving or foreclosing the Association's lien.

(b) Association Lien. At any time any assessment (of any type provided for by this Declaration or the Bylaws) or installment thereof is delinquent, the Association, by and through its Board or any management agent, may file a notice of lien in the deed records of Clackamas County, Oregon against the Lot in respect to which the delinquency pertains. Once filed, such lien shall accumulate all future assessments or installments, interest, late fees, penalties, fines, attorneys' fees (whether or not suitor action is instituted) and other appropriate costs properly chargeable to an Owner by the Association, until such amounts are fully paid. The provisions regarding the attachment, notice, recordation and duration of liens established on real property under ORS 94.704 to 94.716, as the same may be amended, shall apply to the Association's lien. The lien shall be foreclosed in accordance with the provisions regarding the foreclosure of liens under ORS Chapter 88. The lien of the Association shall be superior to all other liens and encumbrances except property taxes and assessments, any first mortgage, deed of trust or land sale contract recorded previously to the Association's notice of lien and any mortgage or deed of trust granted to an institutional lender which is recorded previously to the Association's notice of lien.

(c) Interest; Fines; Late Fees; Penalties. The Board in its reasonable discretion may from time to time adopt resolutions to set the rate of interest, and to impose late fees, fines and penalties on delinquent assessments or for violations of the provisions of this Declaration, the Bylaws, any Rules and Regulations, and any rules and regulations adopted by the ARC. The adoption of such impositions shall be communicated to all Owners in writing not less than thirty (30) days before the effective date by a notice mailed to the assessment billing addresses of such Owners. Such impositions shall be considered assessments which are lienable and collectible in the same manner as any other assessments. Provided, however, no fine or penalty for violation of this Declaration, the Bylaws or any Rules and Regulations (other than late fees, fines or interest arising from an Owner's failure to pay regular or special assessments) may be imposed against an Owner or his Lot until such Owner is given an opportunity for a hearing as provided in Section 4.24.

(d) Acceleration of Assessments. In the event an Owner is delinquent in payment of any assessment or installment on any assessment, the Association, upon not less than ten (10) days written notice to the Owner,

any accelerate the due date of the full annual assessment for that fiscal year and all future installments of any special assessments.

(e) Association's Right to Rents/Receiver. In any foreclosure suit by the Association with respect to such lien, the Association shall be entitled to collect reasonable rent from the defaulting Owner for the use of his Lot or shall be entitled to the appointment of a Receiver. Any default by the Owner in any provisions of the Declaration or Bylaws shall be deemed to be a default by the Owner of any mortgage to which the Owner is party or to which the Lot is subject.

10.9 Initial Contribution At the time of the initial closing of the sale of each lot, the escrow agent shall collect from each Lot owner (except Declarant) a start up contribution in the amount of three hundred and fifty dollars (\$350.00.) Said start up contribution shall be paid to Declarant for the establishment and development of Common Areas and to cover maintenance and operating expenditures for the Common Areas until the date when all original lots have been conveyed from the Declarant to a second owner of record. Said contribution shall be used at the Declarant sole discretion, and shall not be subject to review by the Association. Should a contribution not be paid at escrow, such contribution amount and reasonable attorney fees and costs shall become a lien against the property and subject to collection in the same manner as assessments.

ARTICLE 11

GENERAL PROVISIONS

11.1. Records. The Board of Directors shall preserve and maintain minutes of the meetings of the Association, the Board and any committees. The Board of Directors shall also keep detailed and accurate financial records including individual assessment accounts of Owners, the balance sheet, and income and expense statements. Individual assessment accounts shall designate the name and address of the Owner or Owners of the Lot, the amount of each assessment as it becomes due, the amounts paid upon the account, and the balance due on the assessments. The minutes of the Association, the Board and committees, and the Association's financial records shall be reasonably available for review and copying by the Owners. A reasonable charge may be imposed by the Association for providing copies.

11.2. Indemnification of Directors, Officers, Employees and Agents. The Association shall indemnify any Director, officer, employee or agent who was or is a party or is threatened to be made a party to any threatened, pending or completed

action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by the Association) by reason of the fact that he/she is or was a Director, officer, employee or agent of the Association or is or was serving at the request of the Association as a Director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgements, fines and amounts paid in settlement actually and reasonably incurred by said person in connection with such suit, action or proceeding if he/she acted in good faith and in a manner he reasonably believed to be in, or not opposed to, the best interest of the Association, and, with respect to any criminal action or proceedings, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgement, order, settlement, conviction, or with a plea of nolo contendere or its equivalent, shall not of itself create a presumption that a person did not act in good faith and in a manner which he/she reasonably believed to be in, or not opposed to, the best interest of the Association, and with respect to any criminal action or proceedings, had reasonable cause to believe his/her conduct was unlawful. Payment under this clause may be made during the pendency of such claim, action, suit or proceeding as and when incurred, subject only to the right of the Association to reimbursement of such payment from such person, should it be proven at a later time that such person had no right to such payments. All persons who are ultimately held liable for their actions on behalf of the Association as a Director, officer, employee or agent shall have a right of contribution over and against all other Directors, officers, employees or agents and members of the Association who participated with or benefited from the acts which created said liability.

11.3. Enforcement; Attorneys' Fees. The Association and the Owners within the Property or any mortgagee on any Lot shall have the right to enforce all of the covenants, conditions, restrictions, reservations, easements, liens and charges now or hereinafter imposed by any of the provisions of this Declaration as may pertain specifically to such parties or owners by any proceeding at law or in equity. Failure by either the Association or by any Owner or mortgagee to enforce any covenant, condition or restriction herein contained shall in no event be deemed a waiver of their right to do so thereafter.

11.4. Severability. Invalidation of any one of these covenants, conditions or restrictions by judgement or court order shall not affect the other provisions hereof and the same shall remain in full force and effect.

11.5. Duration. The covenants, conditions and restrictions of this Declaration shall run with and bind the land for a term of thirty-five (35) years from the date of this Declaration being recorded, after which time they shall be automatically extended for successive periods of ten (10) years, unless rescinded by a

vote of at least ninety percent (90%) of the Owners and ninety percent (90%) of the first mortgagees. Provided however, amendments which do not constitute rescission of the planned development may be adopted as provided in Section 11.6 below. Additionally, any such rescission which affects the Common Area (to be removed) shall require the prior written consent of Clackamas County.

11.6 Amendment. Except as otherwise provided in Sections 11.5, 11.9, and the restrictions set forth elsewhere herein, this Declaration may be amended at any time by an instrument approved by not less than seventy-five percent (75%) of the total votes for all Lots subject to this Declaration, of each class of members that are eligible to vote. However, during the period of time prior to the Turnover Meeting, Declarant has right to amend Declaration, Bylaws and Articles of Incorporation without notice to or approval by any Class A members. Any amendment affecting a change in the use of Common Areas or dissolution of the Homeowner's Association must be previously approved by Clackamas County. Any amendment must be executed, recorded and certified as provided by law. Provided, however, that no amendment of this Declaration shall effect an amendment of the Bylaws or Articles without compliance with the provisions of such documents, and the Oregon Non-Profit Corporation Act. Provided further, so long as the Declarant owns any Lot, no amendment affecting the general plan and development or any other right of the Declarant herein contained may be effected without the express written consent of the Declarant or its successors and assigns.

11.7 Release of Right of Control. The Declarant may give up their right of control in writing at any time by notice to the Association.

11.8 Unilateral Amendment by Declarant. The Declarant may amend this Declaration in order to comply with the requirements of the Federal Housing Administration of the United States, the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Mortgage Loan Corporation, any department, bureau, board, commission or agency of the United States or the State of Oregon, or any other state in which the Lots are marketed and sold, or any corporation wholly owned, directly or indirectly, by the United States or the State of Oregon, or such other state, the approval of which entity is required in order for it to insure, guarantee or provide financing in connection with development of the Property and sale of Lots. Prior to the Turnover Meeting, no Declarant amendment shall require notice to or approval by any Class A member.

11.9 Resolution of Document Conflicts. In the event of a conflict among any of the provisions in the documents governing Windswept Waters, such conflict shall be resolved by looking to the following documents in the order shown below:

1. Declaration of Covenants, Conditions and Restrictions;
2. Articles of Incorporation;
3. Bylaws;
4. Rules and Regulations.
