

Important Notice Regarding New Oregon Tenant Rights

Dear Resident,

Oregon law has recently changed to provide additional options and protections for tenants. We want to ensure you are aware of your rights and the options available to you.

Your Rights Regarding Tenant Portals and Electronic Systems (SB 1523)

- Request a paper or printable rental application rather than applying through an online portal.
- Submit required tenancy documents through alternatives to an online tenant portal when requested.
- Pay rent by check or another commercially reasonable non-electronic payment method. You cannot be required to pay rent exclusively through an online portal or electronic payment system.
- Request a non-digital alternative for certain access systems when electronic access methods are offered.

Online payment options, resident portals, and electronic communications will remain available for residents who prefer to use them.

Privacy and Information Protections

Oregon law also includes additional protections regarding the handling and disclosure of tenant information. PropM, Inc. is committed to protecting your personal information and complying with all applicable state and federal requirements.

Questions or Requests

If you would like to request a paper application, alternative payment method, alternative access method, or have questions regarding your rights, please contact us:

PropM, Inc.
